

Chair of Trustees Announcement

“I have had over six wonderful years with Spark Inside and as I come to the end of my term, I will be handing over the reins to a new chair. We have an exceptional board and I have huge confidence in Vicki Cardwell, our new CEO. I have known Vicki for a number of years and I know she is the best person to take Spark Inside into its new phase, post our founder, Baillie, stepping down.

I am confident that the new chair is coming into a position which is challenging and exciting in equal measure but with a great support structure. Vicki has hit the ground running, particularly with Covid-19, and we have seen Spark Inside navigate and innovate in challenging circumstances keeping young people at the heart of our mission.

I will continue to be a champion for Spark inside, both for the charity and the team. Spark Inside gets into your blood and I am delighted that it will remain in mine.”

- Roma Hooper OBE, Chair of Trustees at Spark Inside
