

Service Delivery Manager

DATE:

June 2022

About

Spark Inside is an award-winning charity that has transformed the lives of over 1,000 people living and working in our prisons. We have pioneered coaching in prisons, showing the value of coaching to change lives and systems. In the next decade, we set out to make coaching available to anyone who wants it in the justice system and aim to reach 10,000 young people with our coaching programmes.

OUR VISION

The futures of people affected by the criminal justice system are determined by their potential, not their past.

OUR MISSION

We use coaching to unlock the potential of individuals and drive culture change in the criminal justice system so that rehabilitation is possible.

We are one of the first organisations to take life coaching to people living and working in prison and to use systems coaching to bring together staff and prisoners in UK prisons. Our expert coaches are qualified and trained professionals. In addition to developing and delivering innovative coaching programmes, we are also committed to working with parliamentarians and government officials to influence criminal justice policy, and shift the perception of people in prison, platforming their voices and highlighting their unlocked potential.

In addition to our coaching programmes for people in prison, we have also begun coaching prison staff and young people in the community.

You can find out more about what we offer, and the impact of our coaching programmes at www.sparkinside.org and on [Twitter](#).

"I see a different approach in how they dealing with day-to-day issues. When you hear the officers' sides and see what they're going through, it's a struggle, and you begin to think 'you know what? It's not their fault.'"

Ollie, 24, The Conversation participant*

"The life coaches saw the spark in me that I hadn't seen in myself for a long time, and it gave me hope that it wasn't too late to change. Now I've left prison for the last time and I'm not going back. I know I can make it."

Michael, 20, Hero's Journey™ participant*
